

AutoPOD® Pod Brewer

Commercial-grade, single-cup system with the convenience of automatic pod disposal

Single Serve

AutoPOD Pod Brewer

Rack Assembly

Brew Station and 1 Rack Assembly

Versatile, colorful merchandising system for small coffee brewers, pods, and condiments.

PRODUCT FEATURES

- Eliminates waste by brewing one fresh cup at a time from a wide variety of coffee and tea pods.
- Automatically disposes of spent pods after each brew.
- Removable pod bin holds up to 25 pods.
- Pod bin and drip tray can be modified for under-counter disposal of pods.
- Works with most coffee and tea pods.
- Patented sprayhead design allows for proper extraction of all flavoring materials and aromatics.
- Brews up to 16 ounces of coffee or tea in less than a minute.
- Digital display in English/Spanish for easy programming, operation and control.
- Control extraction utilizing pulse brew technology with BrewMETER®.
- Push and hold hot water button provides up to 10 ounces of hot water for cappuccino, cocoa and soups.
- Integrated cup booster allows for 5" or 8" cup clearance.
- Energy-saver mode reduces tank temperature during idle periods. Recipe labels provided allow for customization of beverages dispensed.
- Ready to use out of the box.

Pourover**

PRODUCT FEATURES

- Patented pod drawer works with most tea and coffee pods, from 45 to 61 mm.
- Fast brew coffee in about 30 seconds; brew tea in less than one minute.
- Patented sprayhead allows extraction of all coffee flavoring materials and aromatics.
- Tea button features pulse brew technology to provide steeping action.
- Brew 4 to 12 ounces (118 - 355 mL) of coffee or tea to preferred strength by adjusting the portion/volume control.
- Easy to use and maintain with a removable water reservoir, a drawer-style pod holder and dishwasher safe components.
- Energy-saver mode reduces tank temperature during idle periods.
- Automatic model is connected to waterline, eliminating manual reservoir refills.
- Includes two pod holders.
